Sgt. W. F. Johnson, son of Mr. and Mrs. E. C. Johnson, arrived home last Thursday after five and a half years overseas service. Sgt. Johnson's wife and wee son arrived from overseas about 12 days before him.

Pte. Dorothy Wilson, daughter of Mr. and Mrs. George Wilson, spent the weekend at her home.

Pte. Doris James, Cumberland, Vancouver Island, niece of Mrs. Arthur Evans, and now stationed at Kitchener, visited relatives over the weekend here.

Russell Terry, recently discharged from the army after service overseas, and Miss Betty Harrison, Toronto, were in Newmarket over the weekend visiting Mr. Terry's mother, Mrs. H. Terry.

TELLS OF EUROPE'S "MISPLACED PEOPLE"

"Just finished supper and feel kind of lonely so thought I would drop you a short note," LAC C. D. Smith writes in a letter to his parents, Mr. and Mrs. Stanley Smith. "It sure is boring around here, same old routine every day. Once, maybe twice, a week the Canadian Y.M.C.A. run down from their headquarters and show us a cinema. Some of them are pretty good, others are just something to go and watch for

a change. "Baseball playing has been my greatest interest but can't get enough guys interested in it. Everybody is getting so lazy that it is hard to get someone to even go swimming.

"A bunch of us were up looking over the infamous Belsen concentration camp again. I often wonder if some of the Jerries were even human. We had a closer look at the big incendiary where people either dead or alive were burned. Skulls and bones of small children can be found around it. "There are four Belsen camps. No. 1 is the notorious one. There are still thousands of misplaced people, as they are being called now, in Nos. 3 and 4 camps. Typhus germ is in the bodies of 75 percent of the remaining people and there is still an average of between 30 and 40 persons dying a day. These bodies are buried in one big grave containing between 200 and 300 bodies. You would never believe it unless you saw it.

"How we are going to ever swing the minds of the German people on to their right track again is beyond me. The younger people between the ages of 18 and 23 are the worst. Any S.S. man you run up against you never trust, no matter what. He was Germany's worst fanatic. I guess the only good German is a dead one, as the saying goes."

DAVIS PREFERRED STOCK IS OFFERED

An issue of 100,000 shares of class A cumulative convertible preferred stock of the Davis Leather Co. Ltd., Newmarket, is being offered for sale. This stock sells at \$31 a share to yield 4.84 percent. The prospectus states that average annual net profits and income, after all income and excess profits taxes, for the ten-year period ended Dec. 15, 1944, were \$240,781, and that estimated net profits for the ensuing 12 months are \$310,500.

Dividends for the past 11 years have averaged \$161,900. Net working capital as at Dec. 15, 1944, was \$3,189,327. An issue of 50,000 class B shares is also being offered for sale. The announcement by Gairdner and Co., Toronto, gives the price as \$12.25, with the next quarterly dividend in the amount of 17 1/2 cents (at the rate of 70 cents a year). The announcement gives the company's capitalization as follows: class A shares authorized, 150,000, issued 100,000; class B shares authorized 500,000, issued 159,869.

2,000 Juniors Meet At O.A.C. For First Joint Field Day

Over 2,000 junior farmers and farmerettes from the western half of Ontario gathered at Guelph Agriculture College last Friday for the annual sports day of the Ontario Junior Farmers' Association. The gathering was reported to be the largest in the association's history.

Nineteen boys' softball teams and 12 girls' teams represented the various counties of the province while young athletes from all parts of western Ontario took

FRIENDS MEET AT PICKERING

The three Yearly Meetings of the Religious Society of Friends met together at Pickering College last weekend for the second time in their history of convening at different times and places for many years. The three were Canada Yearly Meeting, affiliated with the Five Year Meeting, the Genesee Yearly Meeting, affiliated to the General Conference, and the Canada Yearly Meeting, which embraces the Conservative Friends, many of whom reside in this district.

There were an unusual number of visitors from the United States and the conference was well attended. The welcome and accommodations for board and lodging, and the opportunities for social intercourse at the college added much to this event which is a highlight in the year of the Society.

The fellowship and worship period beginning at 9:30 a.m. each day was followed by morning and afternoon sessions for business with numerous committee meetings interspersed throughout the day. The evenings were devoted to lectures by the visitors.

Errol T. Elliott, editor of the American Friend, and secretary of the executive committee of the Five Year Meeting of Friends, spoke on the fulfillment of Quaker Way or the Quaker Message; Dr. W. O. Mendenhall, former president of Whitaker College, now travelling for the American Friends' Service Committee, told of his experiences in England; Melvin Patterson, Lewiston, N.Y., a full-blooded Indian, representing Indians in Ontario and New York who had connections with the Friends, also spoke, as did Barnard Walton, Swathmore, Pa., secretary of the Friends General Conference, Mary Drury, who has been a worker in the Dr. Barnardo Homes for many years, and Horace Alexander, who has been serving as an administrator of relief in India.

Ultimate Construction Of Bandstand Planned

Plans for erection of lavatories and a bandstand at the Lions club park were outlined by members of the club to Newmarket town council on Thursday evening. It was stated that the land belongs to the town.

Members of the delegation were President W. J. Geer, R. C. Morrison and Ross Howlett.

"We are conducting supervised activities for children at the park this summer," said Mr. Geer. "We have to provide toilet facilities. In the winter we decided to construct a building 12 feet square at a cost of \$500. Some people say that we should put a bandstand on the top. That means a larger building, 18 by 24 feet, at a cost of \$1,200 without the band shell. We thought that we should tell the council what we have in mind."

"The Lions park is becoming such a beautiful place I have been wondering if we shouldn't take our flagstaff over there," said Mayor Dr. L. W. Dales.

Dr. Dales said that there were government funds available for recreation purposes. "Yes, for leadership training for projects under the direction of the municipal council," said Councillor Frank Bowser.

"By co-operation we may be able to help you secure some of these funds," said Dr. Dales. The council agreed to contribute \$200 toward the lavatories. Construction was scheduled to begin this week.

part in the track and field events. York county was well represented in all events.

Bob McNern of Sharon, Newmarket high school runner, led the mile run to near its finish when, with a 100 yard lead he was forced to withdraw with a leg injury.

Both of York county's boys' and girls' softball teams reached the finals before being retired. The boys reached the finals by defeating Grey county 15-0, Huron county 6-0, Wentworth county 11-1, and losing to Lincoln county 5-3 in the final. The girls also won the first two starts, defeating Ontario county 10-3, Wentworth county 24-1 and losing to Perth county in the finals.

Line-ups were as follows: boys, Doug Hope, c, Pine Orchard; Gordon Orr, p, Maple; Stan Foster, 1b, Maple; Sam Gough, 2b, Milliken; Charlie Shropshire, 3b, Maple; Ewart Jennings, ss, King; Charlie Weir, rf, Pefferlaw; Les Hart, lf, Gormley; George Foster, cf, Maple; Bill Laviolette, alt, Pefferlaw; Morley Cook, capt., Armitage.

Girls: Mary Weir, c, Pefferlaw; Marion Snider, p, Downsview; Edna Polliott, 1b, Temperanceville; Noran Orr, 2b, Maple; Margaret Sewell, 3b, Unionville; Orphie Orr, ss, Maple; Eva Cook, rf, Armitage; Isabelle Murison, lf, Markham; Bodil Berg, cf, Vandroff; Viola Rutledge, Sharon; Evelyn Hibbert, Pefferlaw; Betty Hope, Pine Orchard; alternates.

Highlight of the day-long program was the presentation of a cheque for \$800 to Alderman John Innes of Toronto, representing The Evening Telegram British War Victims Fund.

The cheque, presented by Howard Laidlaw of Norval, president of the association, represented the second large donation the association has made in recent weeks, a cheque for \$600 having been turned over at a picnic held in Kemptonville recently by eastern Ontario members.

The most recent donation raises to \$12,000 the total sum of donations to war charities made by the young farmers since they started war service work in 1940. Money has been raised by salvage drives, dances, draws and other social and patriotic activities, Mr. Laidlaw explained.

A parade of OAC livestock, demonstrating new techniques in stock improvement was part of the afternoon schedule. In the evening, a variety show was staged by members of the Streetsville Junior Farmers, and a dance was held in Creelman Hall.

James Moore, Newmarket, assistant agricultural representative for York county, was in charge of the York county representatives attending the sports day.

108 AT BLOOD CLINIC, NEED IS STILL GREAT

There was an attendance of 108 at last Friday's blood donor clinic in Trinity United church Sunday-school rooms. Four gold buttons were awarded for ten donations, six silver buttons were awarded for six donations, and 17 bronze buttons were awarded for three donations.

Red Cross officials expressed disappointment at the showing of the clinic. The Red Cross has received word from England that the demand for plasma is still great as a large part of the civilian population is under treatment for injuries received during bombing raids. Officials point out, also, that much plasma will be required for the Pacific war and urge that donors continue their services.

WHAT SORT OF MEMORIAL IS COUNCIL TOPIC

"I think that the country feels that a memorial should be something that pulsates with life and culture, and with happiness for future generations," Mayor Dr. L. W. Dales told the members of Newmarket town council at a special meeting on Thursday evening. Dr. Dales put some written suggestions as to procedure and organization before the council.

"A suitable memorial has been more than paid for by the boys and girls," Dr. Dales said. "We have promised to keep faith with them. We have promised that we will try to win the peace."

"I feel that a memorial should take the form of something useful," said Reeve Fred A. Lundy. "All over the country after the last war memorials were built out of stone. After a while we learned that they were only symbols, and people lost interest. I can think of no better memorial than a recreation centre that could be of service to the public and to the service men."

"I think that we couldn't do better than to give this matter some study. Other municipalities, Georgetown, Leaside, Brampton, are considering recreation centres. One of the mis-

Cardinals Keep Top Billing With 27-7 Win Over Orioles

By ORVILLE GANTON
By bestowing a 27-7 defeat on their native foe, the Orioles, Cardinals remain the Amazons in local ladies' softball circles. Phyl Osborne kept grooving the ball so that Cards drove a barrage of doubles, triples and homers all over the landscape. Hiscy, in a less charitable frame of mind, allowed only 11 hits. Her simple but effective strategy consisted of not throwing the Orioles anything to hit at.

A great deal of unnecessary umpire bailing was carried on, since, poor officiating can hardly alibi a twenty-run deficit. That murderers' row of Dean, Manning, Hiscy and McKenzie, who with their team-mates, slammed out 21 hits, were the ginks who de-feathered the Orioles.

Orioles failed to get off on the right foot because Coach Rutledge was compelled to start a makeshift infield which did not function too smoothly. When Cardinals broke through it for eight runs in the third, the Orioles' balloon ascended.

The win entrenches the Red Birds solidly in first place. However, if No. 23 starts hitting behind Schroder's good hurling and Orioles show the form they are capable of, the picture might change pronto.

Clark of No. 23 is the league's top batter to date with an average of .555. Dean, Cardinals' smart little catcher, is tied with M. Osborne of Orioles for second place with a mark of .545. The next five best in order are: Manning (C.), .538; VanZant (O.), .533; McCarger (C.W.A.C.), .500; Hiscy (C.), .500; McKenzie (C.), .454.

Considering the size of the crowds, the collections have been a little disappointing to league officials. Transferring the C.W.A.C.'s home games to the camp so as to provide entertainment for the troops has cut into the revenue. It is surprising, too, how some people, who can see so much at a ball game when a dispute arises, become blind as bats when congenial Jerry presents his little collection box.

FREE SCHOOL BOOKS WOULD COST \$1,800

The cost of providing free school books in the public schools for the first year would be about \$1,800, but less in succeeding years, Newmarket town council will be advised by Newmarket public school board. The board met on Friday evening with Chairman Dr. G. E. Case presiding.

The board had been studying the subject for some time, it was stated, and had the figures ready when a letter was read from Newmarket town council. "Perhaps a meeting could be arranged in time to get the scheme under way by September if you approve of it," said the letter from the council. The council letter suggested a joint meeting of the council and the board.

A letter from Wesley Brooks, town clerk and treasurer, explained that, as a result of Newmarket becoming an Ontario Hydro municipality, it would be necessary in the future to charge the public school board for electricity. A bill for two months electricity was before the board. "That is one thing we haven't any money for," commented Trustee Rudy Rengius.

Dr. Case suggested that, when discussing free school books with

LOCAL GIRLS DEFEAT BEETON VISITORS, 13-4

By ORVILLE GANTON
Beeton feminine ball hawks, attractively garbed in pale blue jerseys and white collars, paid Newmarket a visit and departed again on the short end of a 13-4 score. Helen Compin, their petite pitcher, did a fair chore in the box but the remainder of the Beeton aggregation were a little shaky in the field and weak with the willow. Manager Courtney shook up a concoction of Cardinals and Orioles that delivered a fair brand of ball.

Phyl Osborne, who labored on the mound, kept well out in front of the Beeton hitters. Muirhead and MacInnis were the most consistent clouters for our gals while Mary Osborne laced one for the circuit.

Beeton's pitcher received a badly split finger in the early part of the game while fielding a hard drive off P. Osborne's bat. The severe injury no doubt reduced her effectiveness, however, she gamely stuck to her knitting as Beeton had no relief tosser. Joan and Jessie Compin were Beeton's top hitters. Stewart, in centre field, pulled a shoe-string catch.

Beeton, a comparatively young team, is leading their league in that section which comprises Alliston Knitting Mills, Alliston and Elm Grove. Our local damsels hope to play them a return game soon. A fair crowd was out to welcome the fair visitors and enjoy the friendly diversion.

Miss M. R. Rennie, 67, Dies in Peterboro

Born in Newmarket on April 28, 1878, the daughter of the late Mr. and Mrs. William Rennie, Miss Marion Roberts Rennie died at Nicoll's hospital, Peterboro, following a short illness, on June 25.

Miss Rennie was a music teacher at both the public schools and the Normal school, Peterboro, for many years, also an instructor in physical training.

She was a member of St. Paul's Presbyterian church, Peterboro.

Surviving are two brothers, Charles F. Rennie, Calgary, and J. Leslie Rennie, Ottawa. The funeral service was held in Peterboro on June 27. Interment was in Newmarket cemetery.

SPORTS MARK DOMINION DAY

By BERNIE GANTNER
Dominion Day military celebrations began with a parade of all ranks, including C.W.A.C., through Newmarket, with the salute being taken by Lieut.-Col. N. M. Young and Mayor Dr. L. W. Dales in front of the King George hotel. Two bands were on hand, the unit pipe band and the No. 2 District Depot brass band from Toronto.

During the day, the spectators were treated to various demonstrations including a Danish physical demonstration by Sgt. Niels Petersen, and 40 other ranks. Petersen is the most outstanding exponent of this type of work in Canada. Lieut. Fred White handled a precision squad in drill which left little to be desired.

A stage revue preceded the boxing matches, and the drill hall was packed for this show. A huge dance brought the celebrations to a close with a service orchestra supplying the music. A midway was an added attraction with refreshment booths and hot dog stands keeping everyone contented. Capt. Tom George was chief organizer for the Dominion Day celebrations and his energetic efforts were mainly responsible for making the day a huge success.

From a viewpoint of thrills and excitement, the softball game took the cake. In the semi-final round between Toronto Navy and Newmarket Redmen more good softball and fireworks were produced than has been witnessed in many a game. It was a typical sailor-soldier encounter, reminiscent of the turbulent hockey games between the same two clubs last winter. In a see-saw struggle, Newmarket squeaked out a 9-8 decision in the last of the ninth, a triple by Tommy Jamieson with two mates aboard being the deciding blow.

Track and field events held the spotlight in the afternoon. The main attraction was the 10-mile road race which saw Canada's outstanding marathoners competing. Sgt. Scotty Rankine, evergreen long distance trotter, topped the field in a time of 57:29 and grabbed a cash prize of \$25. Whitey Sheridan, Hamilton Olympic sprinter, and Cpl. Alister Cameron, No. 23, finished second and third respectively.

REPORTS SERIOUS WESTERN SITUATION

Lack of moisture and sunshine has dealt a serious blow to crop prospects in southwestern Saskatchewan, J. L. Bogart, elevator agent at Tuxford, Sask., told The Era and Express this week. A former Newmarket boy, Mr. Bogart is visiting Newmarket with his wife.

Unless conditions improve, southwestern Saskatchewan will look like it did in the disastrous years of 1931 and 1937, Mr. Bogart said. Grain surpluses have moved out of country elevators, which look bare for the first time since 1940, he added.

A letter from Regina received in Newmarket by Mr. Bogart just before press time tells of a heavy rain last week. Two inches fell in 22 minutes, blocking roads and making lakes in the subways. The rain continued for 48 hours.

Three Newmarket boys returned home on the latest crossing of the transport, Louis Pasteur. They are Pte. Robert Roy Bennett, son of Mr. and Mrs. N. F. Bennett, Millard Ave., Pte. George A. Lewis, son of Mr. and Mrs. Fred Lewis, and Cfn. Arthur Brymer, son of Mrs. Clara Brymer.

Pte. Bennett was a prisoner of war for eight months before being liberated. He went overseas in December of 1943 and was taken prisoner during the fighting in Italy.

Cfn. Brymer is a member of the Royal Canadian and Electrical Engineers but was with the Royal Regiment which went overseas five years ago. He is spending a month with his

mother. Pte. Lewis celebrated his 23rd birthday yesterday. Overseas since June 17, 1940, he took part in actions in Italy and north-west Europe and has since volunteered for the Pacific war. He was a member of the Royal Canadian Regiment. While in England, he became engaged to an English girl.

Pte. Lewis brought home a clock which he found in a submarine pen in Amsterdam. The clock was originally intended for a German submarine and is finely made. Unfortunately, Pte. Lewis was unable to find the key which winds the clock but so far hasn't needed it. When he took the clock from his duffle-bag, it started of its own accord.

J. H. Gibney's Peony, Rose Win Sweepstake Honors

The peony show, loveliest of all the flower shows, was held by the Newmarket Horticultural Society in the United church Sunday-school rooms Saturday. There were artistically arranged living-room baskets of sweet-smelling peonies and Sweet William, mingled with the delicate scent of roses, red, yellow and white. Two beautiful flowers, a peony and a rose, grown in the garden of J. H. Gibney, won sweepstake honors in their respective classes. Charles Dodson of Aurora was the judge.

Winners in the various classes were: peonies, best three, white, cream, yellow, Mrs. Ed Brammer, Wilmet Hill; best three, flesh blush or light pink, Wilmet Hill, J. H. Gibney; best three deep pink, Mrs. Ed Brammer, J. H. Gibney; best three, red, J. H. Gibney, Mrs. Eugene McCaffrey; best three, fancy varieties, Miss Lou Newton; best three, any variety, J. H. Gibney, Mrs. Ed Brammer.

Best three peonies, open to any members who have never won a peony prize, Mrs. Eugene McCaffrey; best collection of peonies in basket, J. H. Gibney, Mrs. Ed Brammer; best collection, fancy varieties, Miss Lou Newton; best display, not less than six varieties nor more than 50 blooms, J. H. Gibney.

KIDS' PROGRAM OPENS MONDAY

Organized summer playground activities under the direction of Fred L. Hall, begin at Lions park on Monday, July 9, at 1:30 p.m., and will continue every afternoon except Saturdays and Sundays at that time for a period of six weeks.

The program is sponsored by the Newmarket Lions club as a step towards organized community recreation, and carries with it the cordial backing of the town council. The program is open to all children, five and a half years or older. They are invited to join in the program for all or part of the six weeks.

It is emphasized that there is no charge to the parents if their children participate in the program. No child is under any obligation to participate. The program was arranged with a view of offering organized and healthy recreation for children during the summer months at no cost in any way to the parents.

Included in the program are supervised use of slides, teeters, swings and sand-tables. The program also offers organized games and sports such as croquet, volleyball, softball, football, tetherball, horseshoe, Danish rounders, field sports, treasure hunts, contests, relays, etc.

All children who will be participating in the program are requested to gather under the trees near the Stuart Scott school for registration at 1:30 p.m. on Monday.

Mr. Hall will be assisted in directing the activities of the children by Misses Audrey Rowland and Glenna West. He is at present seeking a third male assistant and anyone who is interested is asked to get in touch with him.

HOLIDAY REPORT

It was a good vacation. We loafed in the sun, dug in the garden when the spirit moved us and it was not too hot, and busied ourselves happily with the household odds and ends that had accumulated towards just such a time as vacation time. Best of all, we enjoyed the pleasures of being outside and re-discovering the beauty of the wind-swept fields and hills, and the brown roads.

Furthermore, we are richer by two new acquaintances which we would never have met were it not for vacation. One was a turtle, a dignified old fellow, and the other was a wren, a pert little creature with the sweetest song we have ever heard. We met the turtle one hot afternoon when he was sunning himself on the concrete ledge below the dam at Fairy Lake. We spent many a pleasant hour after our first meeting, our elbows hooked over the rail of the Water St. bridge, speculating on the advantages of being a turtle and being able to sit under a waterfall all day. As for the wren, it awakened us each morning from its perch on the ridge-pole below the window. And each morning we wondered anew that so much music should come from such a small throat.

We are a bit worried now, with the vacation over, whether we will lose our two new friends. For like the great part of mankind, we forget the pleasures we learn in idleness when once we return to our daily occupations. The turtle and the wren have no part in daily routine. They neither sow nor do they reap in the conventional manner and consequently have no virtue to commend them to this bustling age unless it be this, that in the memory of their existence we remember how wide is the world that lies beyond our ken and in that memory, see ourselves in a truer perspective.

THE RASPBERRY PATCH

Life behind a desk has many compensations but it does not provide the equipment for successful digging. Still, we really have nothing to complain about. The blisters have faded and left a suggestion of the callouses of one who works with his hands, enough so that we can point to them with pride; and the raspberry patch on which we exercised our poor talents does show some signs of improvement. We are out of pocket, however, the cost of a bottle of liniment which was applied to aching shoulders, and the sunburn—less said the better.

But not to be reckoned with such tangible profits and losses was the immense satisfaction of physical labor and the sweat of it. We read long ago of a philosopher who kept a potato patch for no other purpose than to work in it. And while scorning all other attachments, the philosopher's special prerogative, he was most possessive of his potato patch and threatened the life and limb of any who ventured near it. For, he said, it was only while in his potato patch, working with his hands, that he was able to achieve the detachment of mind so necessary to a thoughtful consideration of the universe in all its glory.

Yet at the other end of the scale is unremitting physical toil, deadening in its fatigue the finer instincts that separate man from beast. How real to him who must labor thus is the truth of Markham's poem, The Man with the Hoe.

"What to him
Are Plato and the swing of the Pleiades?
What the long reaches of the peaks of song,
The rift of dawn, the reddening of the rose?"
But these are extremes, the philosopher and the slave, and there is room for neither in the raspberry patch. The raspberry patch is exclusive, specially reserved for those of us whose muscles having slept comfortably behind a desk all winter are called now to action by the warmth of the summer sun and the sheer pleasure of being out doors and digging.

W.P.T.B.

A pleasure enjoyed during our vacation was a visit by our cousin and his wife from the United States. He has just completed four years of intensive medical training under army jurisdiction and is now on leave while he completes his internship at a Chicago hospital.

It is always enlightening to talk to someone from another country even though that country is so similar to ours. The visitor is able to find so much worthy of appreciation in what we have taken for granted. For example, he helped us realize again what a fine job has been done in controlling prices in Canada as he exclaimed over the difference between the prices in the United States and here. During his visit, we lunched in a Toronto restaurant. The cost for each was less than a dollar. He told us that in Philadelphia, the same meal would have cost over two dollars and the portions would have been less.

H. O'Dell, for the holidays.

Mr. and Mrs. Orval Patenaude were at their cottage last week-end.

A gathering in the form of a reunion took place on Wednesday evening at the home of Mrs. Acil Chapman. There were three returned boys, PO Wm. Thompson, Petty Officer Lorne O'Dell and Sgt. Don Powell, present.

The evening was spent in cards and community singing. A presentation of money was made to each serviceman.

We had thought that the Office of Price Administration, the agency in the United States which had been created to perform the same function as the Wartime Prices and Trade Board here, had had the same success as the W.P.T.B. From our cousin's description it was apparent that the O.P.A. had neither the same achievement nor did it enjoy the same confidence as the W.P.T.B. He said that the O.P.A. was looked upon with suspicion by the citizens and was continually criticized for its inefficiency.

It is true in Canada that in some fields, prices have risen high above their pre-war levels. The cost of lumber has almost doubled. Real estate is selling for prices which would have been greeted with scorn had they been asked in 1939. Some textiles have almost doubled in cost to the purchaser.

Despite these exceptions, the W.P.T.B. has acted in a manner which has maintained public confidence. The public has grumbled a bit at some directives but generally it has been a case of "they know best." Through newspaper advertisements and other means, the board has made its problems known and has asked the public to co-operate in their solution. The public has responded to this frankness by giving a full measure of co-operation. For example, the black market has been kept down because of the public's recognition of the black market as a form of sabotage.

Even this co-operation would be lacking, however, did not Canadians realize that in the period of national emergency brought about by war, the utmost in individual effort was required if victory was to be achieved. In victory loans and other national campaigns, the response has been wholehearted. Canadians have demonstrated that they can act with unity of purpose in war. If the example they have set in the last six years will prevail, Canada will prosper in the difficult years still before us.

What Others Think

WHAT IS STOCK?

(Financial Post)

What is stock racketeering? What are operating methods generally connoted by that term?

We object to misrepresentation in stock selling. Included in the many kinds and shades of misrepresentation are these:

Giving false or grossly exaggerated information as to the stage of property development, such as suggesting that the property is a developed or nearly producing mine when it is still nothing but a piece of ground with none or only elementary development.

Giving misleading information re location of the property and results at nearby properties.

Making or implying promises where fulfillment is not intended or is entirely unlikely, such as asserting that the stock will be shortly listed on a stock exchange; that profit is certain.

We object to misrepresentation as to the marketability of shares sold. The public is seldom aware that some unscrupulous operators may sometimes "make a market" in a new issue for just a few days, as a stock-selling device, then withdraw their market support later, leaving the public with something for which there is no market. As pointed out by New York's assistant attorney of the Stock Frauds Bureau: "Most people who have been stung don't know it yet and won't know it until they need the money and try to sell their stocks."

We object to fake confirmations. This crooked trick involves sending the man who has said no to the salesman's proposition, an impressive "legal-looking" document along with a bill requesting payment for a certain number of shares as if the prospect had said yes; had agreed to the purchase.

We object to the faking, suppression and manipulation of mine development news. The public is defrauded if a snowstorm of mail, telegrams and tipster sheets proclaiming the spectacular, just-around-the-corner profit possibilities of a stock is sent out after the inside ring knows that the truth is indifferent. It is equally bad when the game is played the other way, spreading gloom before good news. Withholding information and falsifying information so that insiders can rig the market and arrange their personal affairs so as to make a killing is crooked.

We object to stock selling methods that include among the tools of persuasion so-called "independent" advisory services if the "independent" advice as to stock purchases is bought and paid for by the interested stock selling organization. We object to controlled and/or subsidized sheets posing as independent newspapers.

We object to the misuse of money collected from the public through the sale of stock. We claim that funds are misused if most of them go into the pocket of the promoter and into stock selling expenses, and if only a small proportion goes into actual testing and developing a mine property.

By no means do we suggest that all mining promotion and stock selling is interlarded with these practices. Canada needs more honest-to-goodness promoters who will speed development of our natural resources. Canadian development needs more people who can and will risk some of their savings in these inevitably risky ventures. Giving the speculator a fair run for his money is, in our opinion, the best way to speed national development.

The speculator, the man willing to take big risks with his savings, has played the dynamic role in the swift development of his country. Today as much as ever Canada needs speculators.

Premier Drew and men of his Cabinet have, both in private and in public life, demonstrated energetic and conscientious zeal for the public welfare. They and their soon to be named securities commissioners will do well if they take a good look at the present situation; if they determine to enforce the letter and spirit of the legislation with vigor and courage.

THE COMMON ROUND

By ISABEL INGLIS COVILLIE

MONTH OF ROSES

Didn't some one once call June "a box where sweets compacted lie?"

It's still June as I write this and beside the porch is a rose bush crowned with snowy bloom. The blooms nod to me as I pass and seem to say "We give our beauty and perfume to make the world a lovelier place."

I think this year we might paraphrase the old poem—or a line of it—and say—June is "a box where events compacted lie," for anyone who listened to Field Marshal Smuts and President Truman on Tuesday evening could hardly miss the significance of what was taking place in San Francisco, and how much it means to you and me as well as to the whole world.

I suppose for all time the drawing up of the Magna Charta, the Constitution of the United States, and the world Security Charter will be reckoned as milestones in history.

All three mean the effort to free mankind from some kind of fear and oppression—a release from domination of power of one sort or another.

To a certain extent, the first two have succeeded; they were long steps in the direction of giving to every man the right to choose—within the law—his own destiny, and now the third great Charter comes along, written in the heart's blood of nations—nations determined that, God willing, there shall never again be the world catastrophe of the past

years. Nothing so grand, so awe-inspiring has been written since Moses received and wrote down the Ten Commandments.

When one thinks and tries to realize that not two or three but FIFTY nations will sign that charter, a great thankfulness seems to envelope us. We feel that a Te Deum should rise from all the free peoples, and how appropriate that would be, for, Esperanto notwithstanding, music is the universal language.

Let me repeat a little story which I told at the District Annual, which proves this.

A clergyman was travelling in the Far East and had to take a long motor trip with only the driver, a native, for company. The clergyman tried to find a language they might have in common—he tried five different ones—but with no success. Then it was the driver's turn and he tried several dialects—with no better results. So the drive went on in silence.

Suddenly the clergyman leaped forward—the driver was singing softly to himself. It was a well known hymn. Softly the bishop joined in. They had found common ground—without understanding the other's language, they still knew what that language said.

June has seen so many of our boys back from overseas. They are seeing Canada again at its loveliest. It's up to us to see that the land they have dreamed of never lets them down.

25 YEARS AGO

Maybe, now, you'd like a Tractor...

Queenie and Dobbin have done a fine job and their useful day is not yet past.

But maybe you want to speed up your farm operations with tractor ploughing, cultivating, seeding and harvesting.

Maybe you want to do many things for the improvement of your farm... repair your barn or build a new one, fix up the fencing or drainage, buy a new bull to build up the quality of

your herd, install an electric system or improve the present one. And what about seed, feed and fertilizer? What about your livestock? All these things need money—more money, probably, than your bank balance will allow. If that's the case with you, call on the manager of our local office and discuss, in confidence, your financial needs. You will like the kind of consideration he will give your plans and problems.

FARM COMMANDO

Millions of People in Liberated Europe—LOOK TO ONTARIO FOR FOOD!

NEVER in our history has the need for food been so desperate as it is today. We need food to feed our fighting men... to feed our Allies who burned their fields to halt the enemy... to feed you and us here at home. Short of help... short of machinery... the Ontario farmer needs every available hand he can get!

So plan now to devote whatever time you can to helping on the farms this summer. Every possible man-hour MUST be put in - join the thousands of young men and women who, though regularly engaged in other work offer their spare time to helping local farmers with the haying, hoeing, and harvesting.

If possible, make your own arrangements with relatives or friends who might have a farm of their own, to help out during peak seasons. Those who have no farmer relatives or friends should contact their local Farm Commando Brigade or write direct to the Ontario Farm Service Force, Parliament Buildings, Toronto.

Standard wages are paid to all Farm Commandos.

CASANOVA BROWN MAY
BE SEEN AT STRAND

Mrs. Arthur Brice, Mrs. A. Barber, Mrs. H. J. Lowe, Mrs. Chas. Brice and Mrs. E. C. Johnson, all of Newmarket, were the winners of last week's classified contest. Clarence DeLahaye of Macnab Hardware drew the five winners.

These winners may see the program at the Strand theatre on Tuesday, July 10, when Bud Abbott and Lou Costello star in Here Come The Co-Eds and the added attraction is Murder in the Blue Room, or on Thursday, July 12, when George Sanders and Linda Darnell star in Summer Storm and the added attraction is Garden Of Allah. Passes may be picked up any evening at the Strand theatre.

The correct answers were: harvesting, competent, buckwheat, eligible, information, reliable, available, accommodate, patented, proposition.

THIS WEEK'S CONTEST

The five winners of this week's contest may see the program at the Strand theatre on Tuesday, July 17, when Gary Cooper and Teresa Wright will be seen in Casanova Brown and the added attraction is I Love A Mystery with Jim Bannon and Nina Foch, or on Thursday, July 19, when Objective Burma with Errol Flynn and James Brown is the feature and Having A Wonderful Crime with George Murphy and Carole Landis starring is the added attraction.

Contestants are asked to send their entries in on a slip of paper two and a half inches by four and a half inches (2½" x 4½"). Only one entry will be accepted from any one household or family and the entry must be in the contestant's own handwriting.

Entries must reach The Era and Express office by 9:00 Tuesday morning.

The ten classified words have been put in two different codes and scrambled this week. Find the codes and the rest is easy. Here are the words:

14, 25, 26, 25, 13, 14, 4, 18, 23, 23, 7, 24, 14, 13, 8, 2, 11, 20, 23, 1, 24, 14, 6, 1, 3, 17, 18, 24, 23, 14, 3, 10, 5, 1, 23, 12, 26, 20, 7, 18, 26, 12, 9, 19, 23, 26, 18, 6, 8, 12, 22, 14, 22, 22, 13, 13, 24, 25, 6, 9, 24, 26, 21, 21, 15, 9, 22, 8, 24, 6, 25, 9, 22, 14, 15

the town council, the board should inform the council that "the school board could spend \$25,000 on capital outlay before the schools would be more than half up to date."

A message from Trustee Mrs. J. C. R. Edwards, who was unable to be present, informed the council that recommendations should reach the royal commission on education by September, and that the public school board should have its joint meeting with the high school board to consider recommendations as soon as possible.

Members of the board thought that there might be some change in inspection methods. They thought that inspectors were inclined to say that all was well, and not to offer sufficient criticisms and suggestions.

"We should have young men as inspectors," said Mr. Renzius. There was also discussion of a forecast that a B.A. degree might become an Ontario public school teaching requirement.

A long list of suggested repairs and improvements, read by Trustee L. H. Bovair, was studied by the board. The list was compiled when board members made their annual inspection of the schools.

Most of the items received approval. One of the larger items which received approval was the construction of a principal's office on the ground floor of the Alexander Muir school. Another proposal was to install hot water in the schools.

"Why?" asked Trustee Morden Carter. "The nurse wants it," said Mr. Bovair. "The children would use it to keep their hands clean."

"If it could be left for a year or two until we can get men to do it," suggested Trustee Stephen Rose.

The proposal was not approved for the present. Heating the teachers' room at the King George school will receive study. The desks in the grades three and four room at the Stuart Scott school are to be replaced with larger desks.

CARD OF THANKS

Mrs. Thos. Turan and Mr. and Mrs. Carl Turan wish to thank the Newmarket Veterans' Association, Davis Leather Co. and other friends for the kindness and sympathy extended during the loss of a dear husband and father.

CARD OF THANKS

Mr. Joseph Cutting and family wish to extend their heartfelt thanks and appreciation to the many friends, neighbors and relatives, also the engineers of No. 23 C.B.T.C., Newmarket, and Dept. 13, C.C.M., Toronto, for the acts of kindness, reassurances of sympathy and beautiful floral offerings received during their recent bereavement of a loving wife and mother.

WHAT SORT OF MEMORIAL

(Continued from Page 1)

takes after the last war was that veterans had no place to meet."

"This town had no memorial until the Veterans got busy," said Deputy Reeve Arthur D. Evans. "It isn't just stone. There was a dump on that site before. So I think we can claim the memorial was a beginning of all the beautification along that street since then."

"I like the mayor's idea of a planning committee and I like the idea of an engineer. Then I would be prepared to wait a while to consult the men themselves when they return, so that we wouldn't make the same mistakes we made the last time."

Councillor J. L. Spillette congratulated the mayor on the thought he had given the matter. "A planning committee and a planning engineer could go into the subject of localities, costs, what you're going to put into the memorial, and then we'd know where we stand," said Mr. Spillette. "Personally, I favor a memorial like the one for the last war. I never pass one of those war memorials without getting a thrill."

"It is time we were doing something," said Councillor George Byers after congratulating the mayor on his organization suggestions. "I also join with Mr. Evans in congratulating the Veterans. I remember when the site of their memorial was a dump."

"I would like to see us get, when we are considering this memorial, some of the things we lack, such as a fire hall, clerk's office, municipal office, all in one building. If that is possible it would be foolish to go ahead with the rest-rooms. We should hold everything until we make our memorial plans."

"I don't agree with Mr. Lundy about going to Brampton and Leaside," said Councillor Frank Bowser. "Each community has different needs. Brampton has a swimming-pool, and so Brampton is not interested in getting a swimming-pool. We know what we want. We don't know how to get it. We need facts and figures."

"I think that one of our biggest needs is a real good municipal hall," said Councillor A. V. Higginson. "Get rid of the old town hall. Get all our offices in one block. We could have a memorial in front."

Mr. Higginson indicated to the council how an impressive memorial might be constructed in front of a hall, providing a suitable place for outdoor ceremonies, and a closed room where the names of those who served would be inscribed.

"In Newmarket we need a town hall to accommodate a library, fire hall, clerk's office, swimming-pool, recreation centre, etc.," said Councillor Joseph Vale. "I wonder if we are not confusing our needs with a memorial. I am not at the moment prepared to say that a memorial to the boys who died in this war and the last war should take the form of a recreation centre. That is materialistic."

"In Britain they recognize that there are material values and spiritual values. The greatest shrine in England is Westminster Abbey. A town hall might be a suitable place to hold a memorial service."

"Another question is whether it is proper to consider a memorial while we are still at war. It is clear that everybody is considering a recreation hall, but the question is whether we aren't confusing our needs with a memorial? Should we do it now? Should we have a town hall for a memorial?"

"If we decide to erect a memorial hall, then let's appoint a planning committee."

Dr. Dales had a copy of an elaborate report on a "multiple-use" recreation centre for Brantford. He said that the committee began its work in 1943.

"Every town organization and the heads of the industries should be represented on the planning committee," said Mr. Bowser.

"I'd like to have the council meet every week for four weeks," said Dr. Dales. "I would like you to authorize the expenditure of \$100 or \$200 on an engineer."

"Do you need an engineer until you know which type of memorial you are going to have—a building or a stone memorial?" asked Mr. Vale.

"In the rotunda of the Brantford recreation centre provision is made for a beautiful memorial that will be seen by everyone who comes in," said Dr. Dales.

Mr. Higginson indicated to the council how an impressive memorial could be constructed in front of a hall, providing a suitable place for outdoor ceremonies and a closed room where the names of those who served would be inscribed.

"Should we decide before the boys come back?" asked Mr. Evans.

"The war is not over but the boys are coming home rapidly," said Dr. Dales.

CO-OP GETS READY FOR REORGANIZATION

Patronage savings of five per cent on purchases and interest of six per cent on shares were paid at the annual meeting of Newmarket Farmers Co-operative on Friday evening. President J. P. Jefferson was in the chair.

Election of directors and officers was postponed until the reorganization meeting which will take place shortly. Mr. Jefferson said that the co-operative will surrender its old charter and take up a new one providing for organization on a loan unit basis.

Mr. Jefferson said that present shareholders would exchange their shares for loan units at par, although the shares were worth considerably more. He said that membership application forms were available at the store for all interested farmers. Anyone who could not provide a \$25 loan unit could pay the membership fee of \$1 and allow savings to accumulate until he had a \$25 unit.

Other directors, besides Mr. Jefferson, are Wesley Williams, Bogartown, secretary, Joshua Stickwood, Bogartown, Chas. Lewis, Yonge St. and Geo. Pearson, Queensway. Mr. Jefferson said that the new charter would provide for a continual changing of board members. He said that he himself had been a director for about 15 years and president for about ten years.

WELL KNOWN RESIDENT, G. E. WILKINSON DIES

The death of George Edward Wilkinson, one of Aurora's best known residents, occurred at his residence in Aurora on Monday. He was in his 87th year and had resided in Aurora for over 40 years after coming from Markham.

He was at one time employed with J. Fluery and Son, and for some years was engaged in the painting and decorating trade. He had been retired the past ten years and had not been in good health for some years. He was a member of Aurora United church.

Funeral service was held on Wednesday from the home of his son, George, Harrison Ave., with Rev. Roy Hicks in charge. Interment was at Aurora cemetery.

Mr. Wilkinson indicated to the council how an impressive memorial might be constructed in front of a hall, providing a suitable place for outdoor ceremonies, and a closed room where the names of those who served would be inscribed.

"In Newmarket we need a town hall to accommodate a library, fire hall, clerk's office, swimming-pool, recreation centre, etc.," said Councillor Joseph Vale. "I wonder if we are not confusing our needs with a memorial. I am not at the moment prepared to say that a memorial to the boys who died in this war and the last war should take the form of a recreation centre. That is materialistic."

"In Britain they recognize that there are material values and spiritual values. The greatest shrine in England is Westminster Abbey. A town hall might be a suitable place to hold a memorial service."

SERVING AURORA AND DISTRICT

St. Andrew's Headmaster Returns From Navy Post

Ready to take over his duties next fall as headmaster of St. Andrew's College, is Commander Kenneth G. Ketchum of the Royal Canadian Navy. Commander Ketchum, who has been on the college staff for ten years, succeeded Dr. Bruce McDonald as headmaster, and in 1942 was granted leave of absence by the board of governors of the college to become director of naval studies at the newly created H.M.C.S. Royal Roads naval academy at Esquimalt, B.C.

One of Canada's leading younger educationists, Commander Ketchum did a great service in his important post, and with the war drawing to a close, the navy released him to return to his old post. During his absence, J. C. Garratt served as headmaster.

Mrs. Ketchum and family returned to Aurora with Commander Ketchum and they are again in residence at the college.

On his retirement from farming, he spent some years in New York city, in the pharmacy business, coming to reside at Oak Ridges eight years ago. He was a member of Dickinson's Hill Mennonite church, from whence the funeral service was held on Sunday with burial in Dickinson's Hill cemetery.

He is survived by his widow, the former Audrey Bond; two brothers, Oliver, Richmond Hill; and Ezra, Alberta; and a sister, Clara, at Unionville.

LAC Howard Heintzman Home From Germany

Home from overseas and with his parents in Peterborough is LAC Howard Heintzman, formerly of Vancor and former student at Aurora high school. LAC Heintzman, who has been on service since 1941, expects to return to ground crew duty in Germany. He is one of four brothers on active service. The others are Cpl. Ted Heintzman in Ontario with the R.C.A.F., LAC Norman Heintzman in Burma with the R.C.A.F., and Pte. Don Heintzman in Germany with the Canadian army.

JAMES B. ELSLEY WINS NAVY PROMOTION

James B. Elmsley, former Aurora boy, has been promoted to the rank of acting lieutenant-commander in the Royal Canadian Navy. "Jim," the son of Maj.-Gen. Elmsley, was employed in the Bank of Montreal at the outbreak of war, and shortly after was transferred to Toronto, where he enlisted in the navy. He has seen considerable naval action in the past four years.

He has just returned to Canada after engagements in European waters as commanding officer of the corvette, H.M.C.S. Mimico, and is now on leave. While in Aurora he was an active member of the Aurora Golf club, and one of its leading players.

SNOWBALL W.I. HEARS REPORT ON GLASS FABRICS

The Snowball Women's Institute met at the home of Mrs. F. Williams. The roll-call elicited a variety of products obtained from the cow, ranging from meat to penicillin.

Ten dollars was voted to the Hospital for Sick Children, Toronto. Plans were made for a community picnic to be held on Mr. and Mrs. Ernest Copson's lawn the evening of July 19.

Mrs. H. Patrick and Mrs. G. Morton brought reports of the District Annual. The executive reported the presentation of cups and saucers to Rev. and Mrs. Burton who have shown a very active interest in work of the Institute in co-operation with the Women's Association of the church.

The ladies were keenly interested in the post-war possibilities of the new glass fabrics and insulation as described and demonstrated by Mrs. E. Reddick.

An up to the minute account of world and local events was given by Mrs. Alvin Ridley. Community singing and a light lunch added to the sociability of the afternoon.

Mr. Watson Millard, Newmarket, spent the weekend as a guest of his aunt, Mrs. Joseph Webster, and Bernice.

O.B.E. IS AWARDED LIEUT.-COL. H. G. CONN

A former Aurora boy now serving overseas, Lieut.-Col. Hugh G. Conn has been awarded the Order of the British Empire. Col. Conn, who is 37, attended Aurora public and high schools when his father, Rev. J. Conn, was pastor of St. Andrew's Presbyterian church in the mid-20's.

Upon leaving Aurora he attended Queen's University, graduating with a B.Sc., and was a lecturer in mechanical engineering at the university when the war broke out. He was commissioned Sept. 2, 1939, as lieutenant, became captain in November, of that year, major in October, 1940, and went overseas in September, 1941. He was promoted to the rank of lieutenant colonel in June, 1944, and serves with the Royal Canadian Electrical and Mechanical Engineers. His wife, Mrs. Clara T. Conn, and two sons, reside in Kingston.

Four Aurora, District Servicemen Return Home From Overseas

Last Thursday Sgmn. Clayton Doolittle, son of Mr. and Mrs. Clarence Doolittle, arrived home from overseas after being away from Canada four and a half years. Clayton enlisted at 17 with the Calgary Highlanders, later transferring to the Royal Canadian Signal Corps. Overseas he won honors in various track meets before going to France, and he also acquired an English bride who will be in Aurora shortly, he hopes. He is thrilled to be home again and is busy renewing acquaintances. Flying Officer Howard Folliott of Temperanceville, former well known student at Aurora high school, arrived home last week after nearly two years overseas. Howard was captain of Aurora high school cadets and left school directly for the R.C.A.F.

Wilket Keitch of King, who served overseas with the Canadian army, arrived home this week and is in good health. He is at home with his parents. At Woodville, Ont., is FO Orin Thorpe, formerly of King and a graduate of Aurora high school. Orin saw considerable service overseas. He was met by his wife and small daughter, who reside at Woodville.

Miss Shirley Dalnadge of Toronto is on holidays at the home of Mr. and Mrs. W. J. McCallum. Mr. and Mrs. Fred Hopper of Toronto were recent guests of Mr. and Mrs. William Lundy. Mr. and Mrs. Wilbur Shropshire and Lorne spent Sunday with LAC and Mrs. Howard Lehman at Alliston. Blossom Portingale spent the holiday weekend with relatives in Toronto. Mr. and Mrs. Leslie Rose and family of Angus spent Sunday with Mr. and Mrs. Frank Widdifield, Cedar Valley. Mr. and Mrs. B. Dike and Mr. William Dike attended a Dike reunion picnic at Mount Albert on Saturday. Mr. and Mrs. William Lundy and family spent Sunday with

Mr. and Mrs. Roy Hayward, Mount Albert. Mr. and Mrs. A. Allin of Stouffville visited relatives on Sunday. Orville Brillinger is ill in Wellesley hospital, Toronto. Miss Marie Reynolds of Newmarket spent the weekend at home. Pte. Edmund Skinner, formerly of this community, has volunteered for duty in the Pacific. Pte. Skinner left Newmarket camp recently for advanced training. The opening and dedication of the new Union church will be held on Sunday, July 15, at 11 a.m. The supper and concert will be held on Monday night, July 16. Haying has commenced on most of the farms. In spite of the late spring, crops are favorable but fruit is scarce. Mr. and Mrs. Jack Donis and John of Toronto spent the holiday at the Grindell home. Several from here attended Dominion Day celebrations at Newmarket. LAC and Mrs. Howard Lehman and family are on holidays at the Shropshire home.

DOWN THE CENTRE

Lefty Lennox, the old south-paw flash of Tri-County baseball, dropped in to see us the other day. Merv is a discharged veteran of this war and is employed with the Canadian Legion at Camp Borden. At 39, he can still fog them over pretty good for four or five innings at least. He expects to do a bit of hurling in the Alliston district. At 17, Lennox, who comes from Thornton, was with Stouffville, and in 1924, just about led the late Bill Mather's men to a provincial title. Stouffville was booked in the semi-final round against Oakville and while the Halton County boys were good, Stouffville was better, and Lennox appeared a sure winner in both games. Then tragedy struck. Wes Boadway always used to like to swing three or four bats before stepping to the plate, and in practice did so, not seeing Lennox behind him. One of the bats struck Lefty on the temple, fracturing his skull, and forcing Stouffville to send Bruce Lehman to the mound. Bruce was just coming up then, and while he pitched well, Stouffville lacked drive and punch, and dropped a close series. The Oakville team went on to eliminate Picton in the finals with ease, so there is little doubt but that Stouffville would have won an honor long overdue them. After that Lefty pitched for Oshawa and Peterborough senior clubs, then went west to Vancouver, B.C., where he participated with fair success. In those days the Japanese had their own clubs, and the south-paw was particularly effective against the little brown brothers. He twirled a bit for Ivy after that, and he would like to see an old timers' game arranged to help benefit the kids' teams now functioning in North York. We can think of quite a few still around who would perhaps lend a hand. From Stouffville you might get Earl Cook, ex-Toronto Leafs, Bill Smith, Red Forsythe, Wes Boadway, Reg Button, among others, and, of course, the one and only Shine Davis as umpire. Down at Markham are Max Reesor and his brother, Pete, both of whom played with Stouffville, as well as one or two others. Richmond Hill still have Clary Mylks, Hank Grainger, Wes Middleton, Ken Blanchard and Al White kicking around, while Rusty White might be persuaded to come down from Fergus. Aurora could contribute Jack Pennox, the ex-Stouffville player, George Jiggins, Bill Holloway (the used to play at Acton), Harry Squibb, George Pattenden, while in Toronto are Les Hart, Percy Devins, Don Merchant, Buck Hayes, Charlie Naughton and Wilkie Fleury. Newmarket has a regular raft of potential material with Herb Cain, Shorty Turan, Bill Epworth, Tommy Scott, Ben Wilson, Bernie McHale, Bas McHale, Harry Doonan, Fred Gunn, Larry Molyneaux, Arnold Molyneaux, as well as those of more recent vintage like Bob Peters, George Haskett, etc. Still to be found at Sutton are Dr. Hal Learoyd, Lefty LaChappelle, Harvey Taylor, Jim McKelvie, Jack Crozier and many more. Lefty Brown, the great first sacker of the Willowdale team, is town-hip treasurer down south. Jimmy Nolan, Bradford, along with Lennox, are all close at hand, and Uxbridge must have quite a few on the home front. There is an idea for what it's worth for President Leonard Simmons and the rest of those interested in juvenile, midget and bantam sports to think about. We have a fairly good idea it could be arranged and the fans around the circuit would be ready to pay to see their favorites of yesteryear in action. We might require a staff of medics, stretcher bearers, and gallons of liniment but the cause is a good one and there are enough of the old clan still in fair condition to make it a good game. We must have overlooked quite a few, and we know those who aren't mentioned will know we meant well, but without thumbing through record books we couldn't remember all. Ho-hum, perhaps it was the heat wave that made us dream up that one, but after all, "we can dream can't we?" Baseball recalls the fact that Sam Ainsworth, proprietor of the Brock hotel at Sunderland, and known to countless ball players as a host and one of Sunderland's leading rooters, passed away a few weeks ago. We can add nothing to his obituary for his past speaks for itself. He will be missed by a host of friends. Another sports figure who will be remembered in Aurora, Sutton and other points who has passed away is Roy Zillax, who for many years was manager of the Gravenhurst Indians hockey club. Death also claimed Tom Turan of Newmarket, who was for years a familiar figure around lacrosse matches, and was goal judge for many an important battle. We extend sympathy to "Shorty" and the family. Fat Milne, one of the up and coming young baseball players of the district, has been lost to the Aurora teams, as he has moved to Merriton to join his

YORK COUNTY HAS 69 GRADED HOLSTEIN HERDS

Sixty Holstein herds in York county have been officially classified in selective registration this spring. Selective registration is the official system of grading animals according to their degree of bodily excellence. A total of 623 head were graded in the county, 72 cows being classified as very good, that is, scoring at least 85 out of a possible 100 points, 523 as good plus (80 to 84 points), 25 bulls as XX (at least 85 points) and three bulls as X (75 to 84 points). The following breeders had at least one "very good" cow: Wm. J. Badger, Arthur Bovair, King; Wm. L. Edwards, Schomberg; Lloyd Turner, Stouffville; Kalman Vizely, Clifford L. Winger, Gormley; Norman S. Yorke, Baldwin; Walter W. Haines, James Hope, Newmarket.

"One-Way" Farming for Profit
A striking example of the effectiveness of a machine, in helping farmers operate successfully under difficult conditions, is found in the One-Way Disc. Introduced during the drought spell and period of low prices for farm products, it helped farmers cut down their production costs, thereby leaving them more margin for profit. It is little wonder then that the One-Way Disc Seeder speedily became one of the most popular machines on the market. Preparing the soil and sowing the seed in one operation, the One-Way Disc Seeder saves time and expense. Used as a tillage machine it destroys weeds and leaves the land in a condition to resist soil drifting. In effect the One-Way Disc offers the usefulness of two machines at little more cost than the price of one. In design and construction the MASSEY-HARRIS One-Way Disc offers special advantages that appeal to users. The sturdy frame construction, long wear replaceable bearings, patented stone jumper, easily adjusted direct draft hitch, and quick action power lift are features that contribute to the popularity of the MASSEY-HARRIS. Your local dealer will be glad to give you full particulars.

MASSEY-HARRIS COMPANY LIMITED

Allistair Cameron led the Newmarket camp cross-country runners to the M.D. 2 championships last Friday at the district meet over a tough 5½ mile course in Toronto High Park. Cameron negotiated the route in the highly creditable time of 35 minutes and 18 seconds. Newmarket placed nine runners in the first ten men home, to finish first by a city block margin. Milt Wallace, ex-Olympic runner, was second with Pte. B. J. Toneyuzzo third. In fourth place was the lone outsider in the charmed circle, Sgt. Walter Hornby of Brantford, who is an old Hamilton Olympic club runner of repute. Simcoe camp finished second, with Brantford third and Orillia in the last position. Bun White, who played hockey for Brampton Bullets in the local C.A.C. group two years and who has always been well rated for his lacrosse prowess, has been performing for Mimico Mountaineers, current O.A.L.A. leaders, when he gets time from the army. Bobby Thorpe, a teammate of White at Brampton in both hockey and lacrosse, is once again turning in smart performances for the Mann Cup holders, St. Catharines Athletics. Shepperton, pride of Frank Schelke, the Gormley race horse owner, failed to start in the meet at Hamilton owing to a slight training setback, and has been moved across the border for some of the big stakes there. Here's hoping the big horse, which is held in esteem by all racing fans, gets back into stride again. He will race in Maryland and at Garden City, where he received the leg injury last year, which temporarily ended his racing career. Wally Woolhead, former Markham junior hockey player, was recently married to Pte. Muriel Hall, C.W.A.C. Woolhead was formerly in the army himself. Lieut.-Gen. George Patton, noted tank commander of the U.S. army, was one of the greatest athletes ever turned out by West Point military academy. He was a member of the football squad, set a record in the 220 yards, and finished third in the 1912 Olympic games. Gen. Ike Eisenhower, Gen. Omar Bradley and Gen. Harner are other top flight American soldiers who won a notable reputation on the grid-iron, and those days might well have signed professional. Howard Marten, formerly of Mount Albert and Aurora, and sometimes known to his friends as "Gooch", dropped in to say hello. The former president of Aurora junior hockey club, boxing promoter at Mount Albert Old Mill, and softball maestro, Howard expects to be discharged from the army shortly after nearly five years service. He hopes to do some extra studying and then enter Osgoode Hall in the fall. During his war years

Add up all the advantages of **SHUR-GAIN** HOG CONCENTRATE
AND THE TOTAL IS **Bigger Profits**
Feed **SHUR-GAIN** Hog Concentrate for Bigger Profits
Hog Producers are aware that there is more to hog production than grain feeding alone. Wise farmers have come to recognize the fact that it takes 1,100 lbs. of straight grain to finish a hog in 7½ to 8 months of feeding. But when only 50 lbs. of SHUR-GAIN 41% Hog Concentrate is added to their ration, only 650 lbs. of grain are needed, and hogs finish better, with higher grades in only 5½ to 6 months. You save weeks of feeding, you save 450 lbs. of grain, and you save many hours of work per hog, by feeding them the Balanced, SHUR-GAIN Way! And you'll like the way your hogs grade out! More select grades at marketing mean More Profits for You. For bigger and better profits this year, resolve Now to feed the profitable, economical, SHUR-GAIN Way.

team, and one of the best back-
fielders in eastern Canada as a
member of Oakwood Indians,
tailend O.R.F.U. team, is expect-
ed to take the field this fall for
Dave Sprague's Ottawa Trojans.
Sprague was in Toronto on a
scouting tour recently, and it is
Teddy Reeve, newly appointed
coach of Balmby-Beach, who says
Cummings will go to the capital
city. "The Moaner" should know
for he has been scouting the
potential playing material still
around, and hasn't overlooked
Jimmy. With a better club,
Cummings should look even bet-
ter this year.

Briggs Creighton, who played
softball and hockey with Aurora
Ordnance in 1943 and then
reached Orillia via Armored
Corps, is still instructing at No.
26 B.T.C. and is also catching
softball for Orillia, which is
reputed to have a much better
team than last season. Fred
Trojan, the North Bay Camp
hurler who turned back New-
market in their quest for the
M.D. 2 title, is on the Orillia
team and alternates between the
mound and shortstop which
speaks well for the Orillia pitch-
ing.

Displaying sparkling, all-round
play in the Orillia Ladies Soft-

Betty plays first base for the
Lions club entry and is noted as
a long distance hitter. She has
been out of the game briefly due
to an operation, but will shortly
resume her regular position.
How about bringing one of those
Orillia teams down to Newmar-

just how good the local girls are?

MAGISTRATE'S COURT
JAIL TERM IS GIVEN
ON RECEIVING CHARGE

Pleading guilty in magistrate's
court in Newmarket on Friday
to a charge of receiving stolen
goods of a value exceeding \$25,
Gordon Dugman, 183 Carlton
Ave., Toronto, was sentenced to
three months in jail, the term to
run concurrently with the term
he is now serving in the North
Bay jail.

County Constable William Hill
told Magistrate W. E. McIlveen
that on May 4 he had been in-
formed by the caretaker of a
cottage at Lake Simcoe that the
cottage had been broken into and
a bicycle belonging to Miss Goldie
Wiseman stolen. The following
day he found that a ten-year-old
youth had purchased the bicycle
from the accused for \$15.

Constable Burbridge, detective
of the York county police, told
his worship that, upon receiving
information from Constable Hill,
he arrested Dugman at the
Nipissing jail near North Bay
where he was serving a three
months term for violating the
Liquor Control Act. He brought
the defendant to the Toronto
police station, where he was
cautioned and questioned. The
witness said that in a statement
Dugman said that he had pur-
chased the bicycle for \$10 from
a man he met in a hotel in Sut-
ton when both were under the
influence of beer. He did not
know that it had been stolen but
admitted that it was a "very
good buy for the money." He
later sold it to a boy in an ice
cream booth, outside Sutton.

Questioned by Crown Attorney
Arleigh Armstrong as to the
value of the bicycle, the officer
stated that it was of English make
and worth about \$50.
"I am convinced that you knew
that you were purchasing a stolen
bicycle," Magistrate McIlveen
told the defendant. "You knew
that you were getting too good
a bargain for your money."
His worship dismissed a charge
of breaking and entering against
Mr. Dugman and ordered that the
bicycle be returned to the owner.
"Do you think that you can
drive carefully with one hand in
the amount of traffic on the road
today," Magistrate McIlveen
asked Russell Cooper, R.R. 1, Wash-
ago, whom he found guilty on a
charge of careless driving and
fined \$10 and costs. "You en-
danger not only your own life
but the lives of other people."

Constable George Foster,
Georgina township, told his wor-
ship that he was directing traffic
on the Virginia-Sutton road on
June 17 when he noticed the
defendant driving his car with
one arm.

Found guilty on a charge of
careless driving on the highway
near Schomberg on May 24,
Harry McLean, 68 Snider Ave.,
Toronto, was fined \$10 and costs
of \$18.65 or ten days. His wor-
ship heard the evidence a week
previous.

"In this case, as far as the
dangerous driving charge is con-
cerned, I find there is not enough
evidence produced by the crown
to warrant a conviction, so I am
dismissing the charge," comment-
ed his worship. "I don't think
there is enough evidence to show
that he was drunk. As far as
the careless driving charge is
concerned I find that the defend-
ant was over the centre line, so
I am fining him the minimum of
\$10 and costs."

Other cases disposed of by
Magistrate McIlveen were: B.
Young, Toronto, fined \$10 and
costs for exceeding the speed
limit in North Gwillimbury.
Constable Carl Morton laid the
charge.

Annie Marr and Hilliard Mil-
lard, both of Toronto, were each
fined \$1 and costs for entering
stop streets in Newmarket. Con-
stable Fred Obee laid the charges.
